

RIBI Area Final

**YOUNG MUSICIAN
OF THE YEAR
2011**

**Scotland and N.E. England
Area Final**

NEWBATTLE ABBEY COLLEGE

THIS IS ROTARY

Today's Rotarian can be a man or woman dedicated to making a difference. They meet, many in an informal way, for either lunch or dinner. Indeed some don't have formal meetings. They e-mail and are major users of the social networking.

In the UK there are over 1,850 Rotary Clubs and 55,000 Rotarians. Their collective beliefs and ethics embrace more than 200 countries and support humanitarian projects throughout the world.

As a member of Rotary, your skills and energy will give hope to those less fortunate, either by birth or disaster.

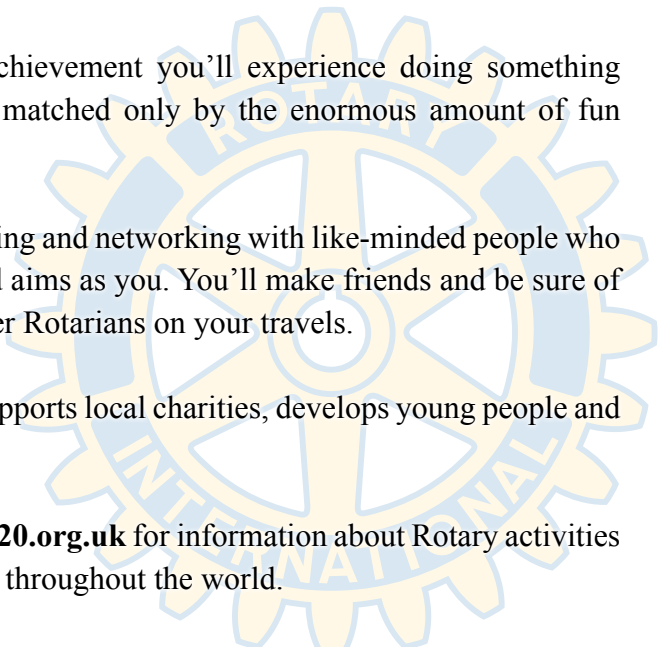

Polio Plus has been a major project for over 25 years and we are "This Close" to total eradication of this life-threatening and crippling disease. The inclusion of the Bill and Melinda Gates Foundation, as a joint funding agency, has recently given this project a major boost and, in association with the World Health Organisation, total eradication is in sight.

The enormous sense of achievement you'll experience doing something really worthwhile will be matched only by the enormous amount of fun you'll have!

You'll be working, socialising and networking with like-minded people who have the same interests and aims as you. You'll make friends and be sure of a warm welcome from other Rotarians on your travels.

Rotary organises events, supports local charities, develops young people and assists with disaster relief.

Please visit www.rotary1020.org.uk for information about Rotary activities in South East Scotland and throughout the world.
